

Corrigenda NI640 September 2026

The following table specifies the Sections and/or Appendices which have been amended with respect to the August 2026 edition of Bureau Veritas NI640 *Structural Assessment of Passenger ships and Ro-Ro Ships*.
Other editorial corrections are not described in this document.

Reference	Section/Appendix
NI640 R02 August 2026	Sec 3

Sec 3, [4.2.3]

Delete the second paragraph of requirement [4.2.3]

Sec 3, [4.3.1]

Replace the first paragraph of requirement [4.3.1] by:

Deck plating which may be subject to wheel loads from different kinds of vehicles is to be checked in accordance with NR467, Pt B, Ch 7, Sec 4, [3].
